PROJECT OVERVIEW OVERALL PROJECT GOAL

- Prepare a plan for the future of Parks, Conservation Areas, and Greenspace Areas in Sunset Valley.
- Work closely with the City of Sunset Valley and community members to create a plan that reflects the City's values and desires.

PROJECT OVERVIEW

TASK1: UNDERSTAND

The Understand Phase is an important part of analysis that will shape our knowledge of The City of Sunset Valley's existing

parks that are succeeding, the desires of community members, and how parks can enhance quality of life for Sunset Valley residents.

- Existing Plans and recommendations findings summary report
- Demographic Trends Analysis Report
- Parks, Open Space, Facilities, Trail Assessment Inventories and Report
- Existing Conditions Report

PROJECT OVERVIEW TASK 2 : ENCACE

This task is an integral part of the assessment and envisioning process. A wide range of community/ participation methods may be utilized alongside traditional public meetings.

- 1 Public Engagement Plan
- 1 Public Survey in progress(Open Until 6/18)
- 2 Speak outs completed
- 1 Public Workshop (right now!)
- Upcoming Public Workshop

PROJECT OVERVIEW

TASK3: ENVISION

This task will build upon findings from previous tasks to develop a draft Parks and Open Space plan based on existing conditions, public engagement, and the information provided by City Staff, elected and appointed officials. We will evaluate current trends to inform potential programming.

- Three (3) Draft Park and Open Space Plans
- Community Workshop #2
- 1 Ad Hoc Committee Presentation
- One (1) Final Park and Open Space Plan
- Opinion of Probable Costs & Operational Costs for the Prefered Parks & **Open Space Plan**
- Funding and Revenue Strategies Report

PROJECT OVERVIEW

TASK 4 : ACT

After research work, community engagement, and recommendations and conceptual plans are made, the team will begin to create the final plan document, which will include an action plan and schedule for shovel-in-the-ground projects.

- Strategic Action Plan
- Draft Sunset Valley Parks and Open Space Plan Report
- Final Parks and Open Space Plan Plan Report

Legend

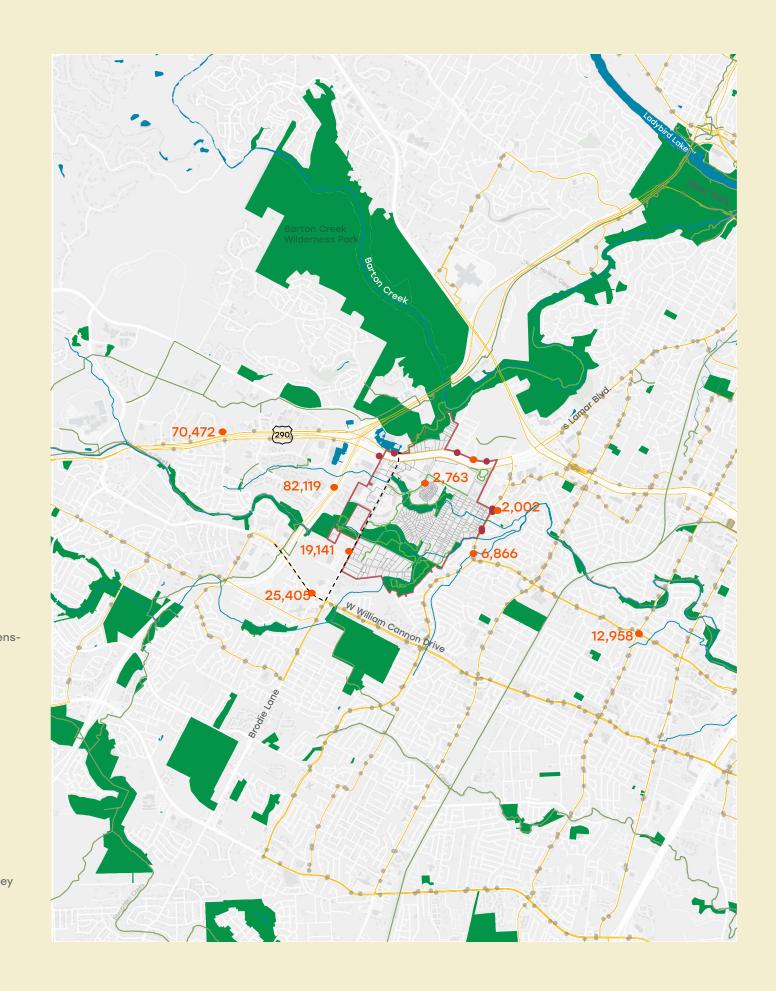

EXISTING CONDITIONS CIRCULATION

The majority of traffic circulation is taking place on highway 290 and highway 1. These highways are a continuation of those going through Austin to the north and east.

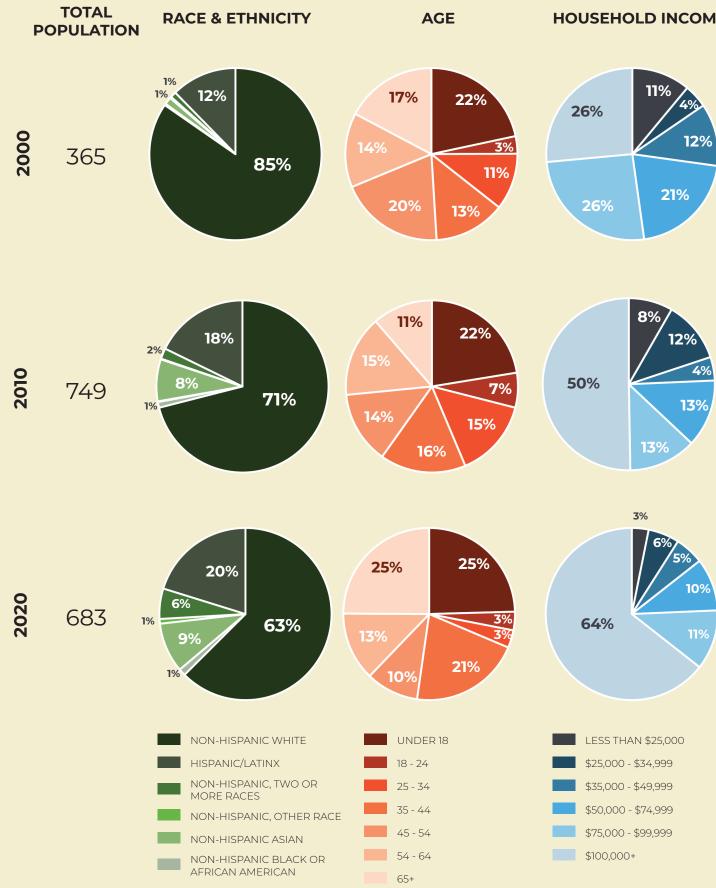

EXISTING CONDITIONS COMMUNITY

Demographics

In Sunset Valley/South Austin the number of non-hispanic whites has decreased.

The number of kids under the age of 18 is relatively stable, however, about 25% of Sunset Valley's population is 65+, compared to 11% in 2010.

Income has steadily increased.

HOUSEHOLD INCOME

LESS THAN \$25,000
\$25,000 - \$34,999
\$35,000 - \$49,999
\$50,000 - \$74,999
\$75,000 - \$99,999
\$100,000+

EXISTING CONDITIONS NATURAL RESOURCES

City-wide Hydrology Williamson Creek is the most prominent waterway that flows through Sunset Valley.

City-wide Tree Canopy

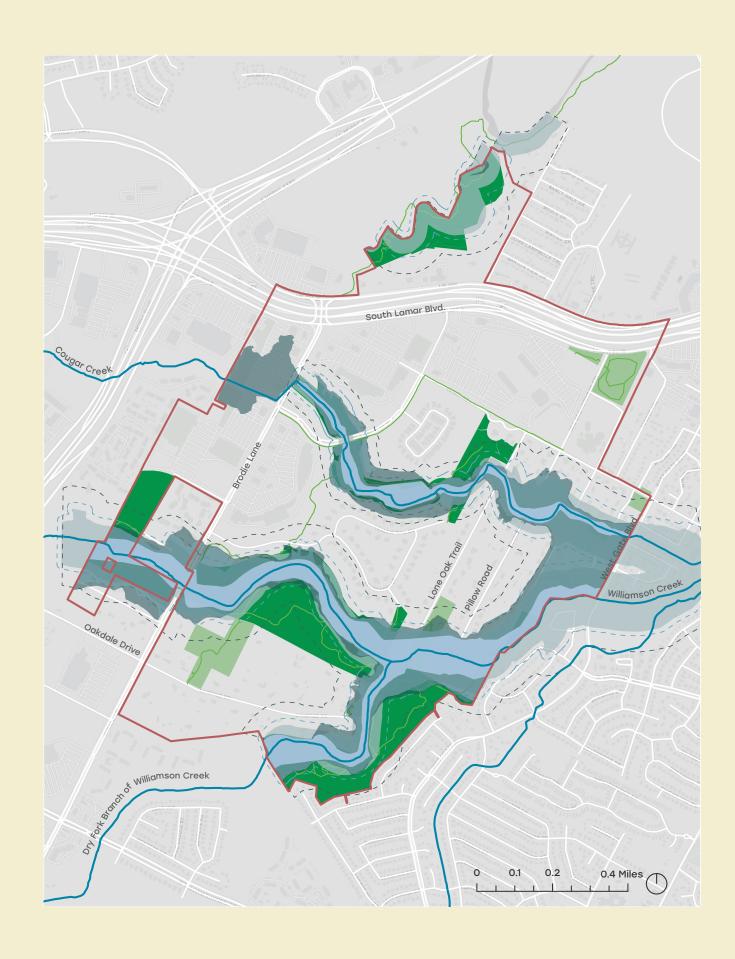

Sunset Valley has extensive tree canopy coverage, which provides shade over private properties, along City streets, and coverage over much of the City's trail systems.

Parks and Open Spaces

The geology, hydrology, and vegetation of Sunset Valley's parks and open spaces vary across the City. REE CANOPY

EXISTING CONDITIONS

PARKS AND OPEN SPACE ASSESSMENTS

The Park Evaluation tool assessed the existing park areas based on seven criteria factors:

- 1: Park Access
- 2: Park Features
- **3:** Supportive Facilities
- 4: Safety and Maintainence
- 5: Aesthetics
- 6: Health
- 7: Culture and Convience

The Evaluation Tool for Conservation Areas and Greenspaces is a similar tool but instead evaluates these sites on five criteria:

- 1: Access
- 2: Environmental Quality
- **3: Unique Natural Features**
- 4: Safety and Serious Maintainence Concerns
- 5: Community

Category	Averaged Score
Access	2.2
Environmental Quality	4
Unique Natural Features	2.5
Safety and Maintenance	3.58
Community	3.33

Category	Averaged Score
