

# Pool Cover Rebate

Sunset Valley's **Pool Cover Rebate** helps residents with the cost of buying a pool cover. A properly fitted pool cover can reduce water lost to evaporation and lower pool maintenance costs.

## SAVINGS

- Reduce evaporation by 90 to 95 percent, or by 6,000 to 8,000 gallons a year
- Prevent 80 to 90 percent of debris from getting into the pool
- Reduce need for chemical application and workload on pool cleaning system.
- Keep water temperature up to 6 to 8 degrees warmer in spring and fall

## REBATE AMOUNT

- Limited to one Pool Cover Rebate per customer, per service address
- Manual pool cover: 50% of the purchase price up to \$50
- Permanent mechanical pool cover: 50% of the purchase price up to \$200

## DEFINITIONS

- **Pool Cover:** A cover, which can be placed over the water area of a swimming pool and is intended for use during the open swim season. It does not include solar rings or liquid suppressants.
- **Manual Pool Cover:** A cover which requires it to be placed over the water by hand including the use of a hand-cranked reel
- **Mechanical Pool Cover:** A permanently installed cover which can be placed over the water and removed with a motorized mechanism turned-on with a switch, button, or other suitable control mechanism

## ELIGIBILITY

- **Applicant:**
  - Must be a residential customer of City of Sunset Valley
  - May not be replacing an existing pool cover with a new one
  - Have not already received the Pool Cover Rebate at this address
  - Agree to keep the pool cover installed in the Sunset Valley service area
